

3 chambre Appartement à vendre dans Torrevieja, Alicante

207.000€

Recently renovated apartment with a usable area of 76 m², smartly laid out into 3 bedrooms, a spacious bathroom, and the possibility to add a second bathroom. The bright living room with dining area and open-plan kitchen offers a welcoming space, perfect for spending quality time with family and friends. The terrace provides a side sea view — an ideal spot to unwind — and its south-facing orientation means you'll enjoy sunshine even during the winter months. The apartment is located on the 4th floor of a building with an elevator and wheelchair-accessible entrance. Despite its central location, the height of the property minimizes street noise, ensuring a peaceful and comfortable atmosphere.

Situated just a few steps from the popular Playa del Cura, and close to public transport, shops, and recreational areas, this property is a fantastic investment and an excellent choice for those seeking comfort in a privileged setting. Get in touch with us to arrange a viewing and experience the charm of this home in person. Your new life could start right here!
