

4 chambre Appartement à vendre dans Marbella, Málaga

5.145.000€

Experience an exclusive residential development that redefines contemporary luxury living in the heart of Marbella. This remarkable project emphasizes a prime location, innovative design, privacy, security, sustainability, and well-being.

The complex comprises 28 high-end apartments and penthouses, featuring 3 and 4 bedrooms, each accompanied by en-suite bathrooms. These residences are thoughtfully distributed across four unique buildings, each boasting distinctive architectural character to maximize privacy for its residents.

The properties offer versatile options to suit diverse lifestyles. Choose from ground-floor apartments with private gardens and generous terraces, first-floor apartments with spacious terraces, corner penthouses also situated on the first floor, as well as central penthouses offering breathtaking sea and mountain views. Each home is characterized by expansive terraces and solariums, with some even featuring private pools.

Security is a top priority in this gated community, which ensures peace of mind with 24-hour surveillance, providing residents with the utmost safety guarantees.
