

3 chambre Maison de Ville à vendre dans Antequera, Málaga

349.000€

This could be your home. A place where contemporary design, functionality, and quality materials combine to offer a comfortable, private, and well-connected lifestyle. Only 6 homes make up this exclusive development, and they are now available. An opportunity that won't last long on the market.

Each home has three bedrooms, two full bathrooms and two toilets, a laundry area, private parking, and a patio with a pool, perfect for enjoying the climate all year round. In addition, it offers a spacious and versatile kitchen space, ready for you to design completely to your liking, adapting it to your needs and lifestyle. Its orientation allows you to make the most of natural light and make each room a welcoming space.

Located in the natural environment of Mirador de las Arquillas, Vistanova 6 is located in a quiet area of Antequera that offers quality of life, open views and direct contact with nature. Living here means enjoying the fresh air, outdoor routes and a more balanced connection with the environment, without giving up the services of the city.

In terms of communication, this development stands out for its excellent location. Just 10 minutes from the Antequera AVE station, and with direct access to the A-45 and A-92 highways, you can reach Malaga International Airport, the Andalusian Technology Park (PTA) or the center of Malaga in about 40 minutes. An ideal location for both permanent residence and second home or investment.

Antequera is a city in full expansion, strategically located in the heart of Andalusia. Its balance between heritage, nature and development is making it one of the destinations with the greatest projection in the region. Investing here today is betting on a future with value.
