

3 chambre Appartement à vendre dans Palma de Mallorca, Mallorca

1.200.000€

Penthouse La Bonanova with views of Palma de Mallorca. Situated on a large urban plot in an elevated position this residential complex has excellent community facilities which include community parking and gardens with a large community swimming pool and gym with views to Castell de Bellver and the port of Palma de Mallorca. This penthouse occupies a prime position with unobstructed views of the city's harbour and the sea to the south and southwest with a backdrop of the woodland of Bellver castle. The penthouse has a living space of 176m² all of which has ample light and views, which comprises of three bedrooms with en-suite bathrooms entrance and guest bathroom. A large lounge diner a separate kitchen with an adjacent utility room. From the lounge you can directly access a 18m² terrace and from here the upper terrace of 92m² with a BBQ and panoramic views of Palma. The sale also includes two garage spaces, and a storage room. Palma serves as the capital of Mallorca and ranks among the most sought-after short break destinations in Europe, both in summer and winter. The city is organized into five districts and also oversees the island of Cabrera, which is recognized as a marine reserve of global significance. La Bonanova is a charming residential neighbourhood situated close to the heart of Palma and the Paseo Marítimo. Perched on a hill above Palma, it offers stunning views along with the convenience of being near the city, the Porto Pi shopping center, and the lovely Bellver forest.
