

2 chambre Appartement à vendre dans Pilar de la Horadada, Alicante

215.000€

New development 'Residential La Rambla Beach III' located in Pilar de la Horadada, Alicante, offering 34 apartments and a 3-bedroom townhouse. The apartments are spread over two floors. The top floor apartments feature a private solarium with barbecue area and sink, while the ground floor apartments offer front and rear gardens. There are two bedrooms with fitted wardrobes and two bathrooms with walk-in showers. The ground floors apartments have a kitchen, with access to the rear garden. In addition, most of the apartments offer views of the communal swimming pool or park, facing south or southeast to make the most of the natural light. Located just a few minutes' drive from Higuericas beach and within easy reach of the main cities of Murcia and Alicante, as well as golf courses and Alicante airport. The ground floor apartments have off-road parking at the rear. Top floor apartments have a designated parking space and a storage room in the parking area. With phase 1 due for completion in October 2025 and phase 2 due for completion in May 2026.
