

5 chambre Auberge à vendre dans La Solana, Alicante

289.950€

Spacious move-in ready country house with garage and wide open views, both from the garden/pool area and the large rooftop terrace.

This property is listed exclusively, which means all documents have been checked in advance and everything is either in order or can be arranged.

The plot

The fully fenced plot is accessible via an electric gate.

There is a large garage, and the space between the garage and the house has a covered area where two cars can be parked in the shade. The garage could also be converted into another purpose such as a home office. At the rear of the house there are two storage rooms and also a shower/toilet area.

The pool is located on a raised level of the garden and there are several great spots to enjoy the sun or shade and relax in the Spanish outdoor lifestyle.

The house

This ground-floor home has two entrances and plenty of space for a large family or – with a few adjustments – dual living. There is a very spacious kitchen diner with pellet stove connected to the terrace. From the kitchen, a hallway gives access to four bedrooms and a storage room. Another hallway leads to the bathroom, an additional bedroom and a second kitchen. This part also includes a generous living room with a wood-burning stove.

Finally, there is access to a large additional room offering space for both a lounge and dining area. From here, one side leads to the front terrace and the other side to the pool terrace at the back. Via an external staircase you reach the generous rooftop terrace with fantastic views over the surroundings.
