

4 chambre Villa à vendre dans Castalla, Alicante

349.000€

Only a short six-minute drive along a smooth asphalt road from the charming town of Castalla, this beautifully built home sits proudly within an impressive mountain range, offering sweeping views across the valley and towards the castle. Constructed to high standards around 20 years ago, the property effortlessly combines comfort, practicality, and the tranquility of countryside living.

The home is thoughtfully divided into three distinct areas. A self-contained one-bedroom annex provides the perfect accommodation for guests, complete with its own patio and optional internal access to the main house. The main residence is bright and spacious, with high vaulted ceilings that create a wonderful sense of openness and grandeur. Here you'll find two bedrooms, a family bathroom, and an impressive extra-wide hallway with excellent storage and a convenient WC.

The open-plan kitchen, living, and dining area is designed to maximise the magnificent views, featuring large picture windows and two sliding glass doors that lead directly onto a full-length, covered external hallway—an ideal shaded spot for summer relaxation while overlooking the valley below. From this outdoor terrace, you have access to multiple dining and seating areas, the garage, wood store, and the underbuild.

Currently used as an artist's studio, the underbuild is equipped with water and electricity and presents a fantastic opportunity for further accommodation or a hobby room. The landscaped plot of 4,519 m² includes a variety of peaceful corners and sun-traps for outdoor living and entertaining, all framed by panoramic mountain scenery. At the rear of the home, a quiet patio connects to the bedrooms and utility room, providing another beautiful space to enjoy the surroundings.
