This lovely cortijo is nestled on top of a hill, overlooking the olive groves as far as you can see. It has been renovated extremely well and with lots of taste, preserving the authentic features and floors. There are several terraces around the house where you can sit in the refreshing shade of the old oak trees or enjoy the sun, each time with a unique view.

The house has a spacious dining area and big fully equipped kitchen, very useful for the lovely lunches the owners regularly organize for friends. They had the original idea to create a real outside living room with open windows, seating corners and even a fireplace; this is where they spend most of their time, enjoying the stunning views and lovely breeze. On the first floor, there are 3 spacious bedrooms with each their own en-suite bathroom and private terrace. The last renovated bedroom even has a bath-tub outside on the terrace, closer to nature you can't be. There is floor heating and cooling on both of the floors working on a heating pump. In the cosy living room, there is an additional woodburner for cold winter days. A swimming pool of nearly 4 x 6 m provides pleasant refreshment. The cortijo has water from a well, mains electricity and 12 solar panels. It has 176 m2 built and stands on a plot of 7.777 m2 full of wonderful olive trees. The property is ready to move into, most of the furniture will stay.

This property is located 10-15 minutes from the picturesque villages of Almedinilla and Algarinejo where you can find bars and restaurants, shops, and typical spanish life. The cities of Priego de Cordoba and Alcalá la Real are 20-25 minutes away.

The historical cities of Granada (with the skiing resort of the Sierra Nevada), Malaga (city/beach/airport) and Cordoba are 1,5 hours away.
