

2 chambre Villa à vendre dans La Florida, Alicante

219.000€

This detached villa in La Florida sits on a very large private plot just a short walk from the Emerald Isle. Built in 1989, the property is in its original condition and would benefit from refurbishment, but it offers a solid structure, a practical layout and extensive outdoor space that provide a good base for a renovation project. Inside, the home includes a bright living-dining room, a separate kitchen, two double bedrooms and one bathroom, all functional but ready for updating. The wraparound plot offers ample space for a private pool, outdoor kitchen, pergola or garden redesign, along with a gated driveway and south to south-east exposure for all-day sun.
