

4 chambre Villa à vendre dans Elviria, Málaga

2.400.000€

This stunning villa boasts breathtaking views of the sea and mountains, situated in the picturesque location of La Mairena. Its modern design and strategic positioning allow for an immersive experience of the surrounding scenery. With spacious rooms, including a living room/dining area with an open fireplace, the villa offers a contemporary and comfortable living space. The master suite and two additional bedrooms all feature en-suite bathrooms and separate showers. The villa's large windows provide an abundance of natural light and showcase the magnificent views from every corner of the house. Notable features include an elevator and a beautiful infinity pool. The terraces offer a serene setting to bask in the sun, indulge in outdoor dining, and savor a refreshing drink while witnessing the sunset. While the villa exudes tranquility, it is conveniently located near various activities such as white sandy beaches, shops, excellent restaurants, and beach bars in the lively area of Elviria. This property presents a unique opportunity to embrace the many advantages Spain has to offer. Viewing is highly recommended.
