239.000€

This unique development opportunity lies in the heart of San Pedro del Pinatar. The property offers significant potential for renovation or redevelopment into a spacious family home, multi-unit residence, or investment project. The existing building has a solid structure, including a large private rooftop terrace with open views over the surrounding area. This space offers excellent potential to create a chill-out zone or rooftop garden. Thanks to its central location, all amenities are within walking distance: shops, restaurants, schools, and the beaches of the Mar Menor are just a few minutes' drive away.
