359.000€

Discover convenient, single-level living in this beautifully located terraced home, where the wonderful communal pool is a mere 70-meter dash away and the beach and amenities are just a short, pleasant stroll further! Effortless Access & Design This property is designed for ease, boasting dual entrances and parking at both the front and back. Imagine the convenience of parking right outside your front door! Step inside the main entrance into a spacious, welcoming hallway that cleverly separates the living and sleeping quarters. Bright & Functional Interiors The layout features three comfortable bedrooms, perfect for family or guests: Bedroom 1 (Left): A generous double with a modern en-suite shower room and practical built-in wardrobe. Bedroom 3 (Opposite): Another double bedroom with a built-in wardrobe, presently versatile enough for use as a large single room or home office. Bedroom 2 (End of Hall): A spacious double with its own built-in storage. House Bathroom: A sleek, modern space featuring a bath with shower attachment, stylish vanity unit, and washing machine. The Heart of Coastal Living Opposite Bedroom 2 lies the spacious and luminous living/dining room. This inviting area is warmed by a charming feature fireplace and connects seamlessly via glazed double doors to the spectacular naya. The open, L-shaped kitchen flows directly from the living space, boasting white units, elegant granite worktops, and fully equipped with a fridge, oven, ceramic hob, and telescopic extractor. Sunshine & Potential Await The open naya is a true highlight—being south-facing, it captures the sun all day long, creating the ideal spot for year-round relaxing and alfresco dining. Stairs from the naya lead down to a large terrace, complete with a vehicle gate for potential secondary parking. Here, you'll find the door to the under-build: a very large, undeveloped space with great ceiling height.
