

2 chambre Appartement à vendre dans Mijas Costa, Málaga

390.000€

Set within an expansive 20,000-square-metre landscape, this coastal retreat is defined by space, light and serenity. With only a small footprint built upon, the generous distance between residences creates a rare sense of privacy and calm — a true escape without isolation. Every home is designed to embrace the golf & sea. Wide, sun-drenched terraces open up to panoramic, uninterrupted views. These one, two and three bedroom properties are filled with natural light and fluid indoor-outdoor living. The architecture feels open, effortless and deeply connected to its surroundings. The experience extends far beyond the front door. Lush, naturalised gardens turn everyday paths into scenic walks, leading to an infinity pool that melts into the horizon, a light-filled gym immersed in nature, and beautifully designed social and coworking spaces that balance productivity with connection. Whether you're swimming under blue skies, working with a sea view or simply unwinding outdoors, life here flows at the perfect pace. With over 300 days of sunshine, landscaped trails, tranquil zen areas and elevated viewpoints for migratory birds, each day feels thoughtfully curated — calm, inspiring and quietly exceptional.
