CENTRAL LOCATION IN THE POPULAR TOWN OF RUTE LESS THAN AN HOUR FROM MALAGA

There is a traditional entrance hall leading into a large reception area with a front facing bedroom off it. To the rear of the reception area there is a large lounge/ diner leading into the kitchen which is fitted. To the rear of the kitchen there is a downstairs cloak room. There is access from both the kitchen and the rear end of the house out to a good size patio in this area there is a shower room with a wc and sink and also a storage/ utility room. A door then leads though out to a second patio which has two good sized out buildings with a fire place. This patio area would easily fit a pool. A staircase from the first patio leads up to a private sun terrace.

From the reception room a staircase leads up to the first floor where there is a front facing bedroom with a Juliette balcony (currently being used as a sitting room) and a second front facing bedroom again with a Juliette balcony. And a walk in wardrobe. On this level there is also a large family bathroom with a bath, overhead shower, wc, bidet and sink. There are also two further rear facing bedrooms

From the landing area there is a staircase leading up to the second floor of the property where there is a huge attic room the full size of the house below which could easily be made into further accommodation if required.

This is a very large property, an ideal family home or could with a license in place be an ideal B&B too.
