

## 4 chambre Auberge à vendre dans Jumilla, Murcia

150.000€

Located in the countryside of Jumilla, this charming country property offers space, privacy and beautiful surroundings, while still enjoying good access and close proximity to the motorway. It is an ideal home for those looking to enjoy rural living with practical comforts and plenty of outdoor space. As you arrive at the property, you are welcomed by a generous fenced plot of approximately 3,800 m<sup>2</sup> surrounding the house, providing privacy and security. The entrance area includes a covered car porch, offering convenient parking and protection for vehicles. Entering the home, you find a comfortable and practical layout. The property features two living rooms, providing flexible spaces for relaxing, entertaining guests or creating separate family and leisure areas. One of the living areas includes a wood-burning stove, creating a warm and inviting atmosphere during the cooler months. The house offers four bedrooms and one bathroom, making it suitable for families, guests, or those who need additional rooms for work or hobbies. The home is also equipped with air conditioning, allowing for comfortable living throughout the year. Towards the rear of the house, you will find a bright enclosed glazed porch area overlooking the swimming pool. This space works perfectly as a sitting room or dining area, allowing you to enjoy the outdoor views in any season. Stepping outside, the property continues to impress. The private swimming pool with filtration system provides a great place to relax during the summer months, surrounded by open views of the countryside. At the back of the house there is also a practical storage room, ideal for tools, equipment or additional storage needs. In addition to the main plot, the property includes a second adjoining parcel of 9,364 m<sup>2</sup>, offering significant additional land that can be used for cultivation, gardening, leisure activities or future projects. The house benefits from mains electricity and drinking water, irrigation water, and a private well, ensuring good water supply options. It also has a septic system (pozo ciego) already installed. The Area Jumilla is known for its vineyards, open landscapes and traditional Spanish charm. The town offers all essential services including supermarkets, restaurants, schools and medical facilities, while maintaining a relaxed and welcoming atmosphere. The surrounding countryside is ideal for those who enjoy nature, outdoor activities and peaceful living, and the property's good road access and proximity to the motorway make it easy to connect with
