199.000€

Stylishly renovated apartment in Rosaleda with glazed terrace In the popular area of Rosaleda awaits this tastefully decorated and fully furnished apartment - a home where Scandinavian style meets the relaxed coastal lifestyle that has made the Costa Blanca so popular with both Swedish, German and British buyers. Here you live near the sea, in a quiet and well-kept area with walking distance to both the beach, restaurants and Torrevieja's charming promenade.

The apartment is furnished with furniture from Nilssons Möbler, a quality choice that enhances the feeling of elegance and durability. The furniture was purchased two years ago and is in very good condition, which makes the home feel both modern, well-kept and ready to move into. Here, all you have to do is open the door and start enjoying.

One of the home's most appreciated features is the glazed terrace, which provides a natural extension of the living room and creates a bright and pleasant space all year round. Here you can enjoy the morning light, relax with a book or set the table for late evenings in an environment that is as sheltered as it is bright.

The stylish kitchen is a real highlight. With its elegant design in black marble, it creates an exclusive and modern feel that is perfect for both everyday life and social moments. All appliances and details are well thought out to make the kitchen both beautiful and functional.

The property has air conditioning, allowing you to enjoy a comfortable indoor climate regardless of the season. The common areas offer a cooling pool, a popular oasis during the sunny days on the Costa Blanca.

The low operating costs, including a common fee of 500 euros per year, make this an attractive residence even as a holiday apartment or investment.
