

7 chambre Auberge à vendre dans Yecla, Murcia

390.000€

Highly adaptable rural property, complete with its own independent water supply Featuring existing agricultural facilities and excellent development potential
 The farmhouse – residential area
 The detached farmhouse is divided into two sections: agricultural and residential
 The residential part is structurally solid and ready to move into, offering: 5 bedrooms 2 living rooms, each with a fireplace open-plan kitchen 1 bathroom two independent entrances, making it easy to split into two separate living spaces swimming pool
 Although some modernization could enhance the interior, the house provides a strong structure and versatile layout
 Outside, a south-facing terrace overlooks open, private surroundings, with a small pool positioned at the front of the home
 Agricultural area and additional buildings
 Connected to the main house is a practical agricultural section, which includes: 3 garages 2 extra rooms with fireplaces spacious upper-level storage area 2 tractors and 1 trailer a storage space with barbecue area a bathroom with independent external access
 Key feature – private water supply and utilities
 Private registered well with extraction rights of up to 24,000 m³ per year or 90 m³ per day, access to mains irrigation water with established usage rights, large 330 m³ water deposit for water storage, or potential conversion into an impressive private pool
 Mains electric
 Land and plot
 Set on a spacious 113,600 m² plot, the land, flat and fertile, is mostly and ready for cultivation
 It also features an olive grove with around 60 mature trees
 Location and surroundings
 Located in a tranquil and traditional Spanish countryside setting, the property offers peace and quiet, fresh air, and no traffic disturbance
 A nearby town with all essential amenities is just a 12-minute drive away
 Lifestyle and possibilities
 This property is ideal for: farming or horticultural projects – vineyards, orchards, vegetable growing, or keeping animals such as dogs, horses, or goats agrotourism or rural guest accommodation (tourist license not yet obtained) a self-sufficient or environmentally conscious lifestyle multi-family living or rental opportunities
 With its space, privacy, and existing infrastructure, this property presents a rare opportunity to create a sustainable rural project or simply enjoy a peaceful life in nature without losing easy access to services
