

2 chambre Appartement à vendre dans Monda, Málaga

575.000€

Luna Nova is more than a place to live; it is a refined residential concept where architecture, design, and craftsmanship come together to create a lasting lifestyle investment. This exclusive development of 39 townhomes and 32 apartments has been designed to deliver a seamless blend of elegance, comfort, and functionality. Residents benefit from premium amenities including two swimming pools with panoramic views, a stylish clubhouse with pool bar and BBQ area, a fully equipped gym and pilates studio, a padel court, modern co-working spaces, and a dedicated spa and wellness area.

Every detail has been carefully considered to achieve a high-end living experience. From bespoke kitchens and spa-inspired bathrooms to custom-made wardrobes, premium flooring, and curated colour palettes, each home reflects timeless quality. Delivered fully furnished and turnkey, the residences are uniquely styled with exclusive Eichholtz furniture collections, offering an immediate sense of sophistication and design consistency.

The apartments are designed around light, space, and open living. Expansive windows maximise natural light, while generous terraces extend the interior seamlessly outdoors. Available in two and three-bedroom configurations, including penthouses with panoramic terraces, optional outdoor kitchens, and plunge pools, these homes are perfectly suited to the Mediterranean lifestyle.

The townhomes at Luna Nova reinterpret traditional Andalusian architecture with a contemporary approach, combining privacy with a strong sense of connection. Distributed across two or three levels, they offer spacious living areas that open onto private gardens and terraces, creating a balanced indoor-outdoor living experience. Select units also include basements, providing flexible spaces for home cinemas, gyms, or personalised leisure areas.
