

2 chambre Appartement à vendre dans Estepona, Málaga

590.000€

The Mesas Infinity Homes offers some of the most impressive sea views on the Costa del Sol. From the iconic Peñón de Gibraltar to the distant coasts of Africa, each house is designed to integrate with its spectacular natural environment. Just minutes from the award-winning beaches of Estepona and its vibrant centre, this exclusive boutique development perfectly combines luxury, comfort and coastal charm.

Each apartment has large floor-to-ceiling windows that flood the interiors with natural light and frame the spectacular sea views. The elegant porcelain floors extend without interruption to large terraces, creating an interior-exterior living experience in perfect harmony. Motorised blinds, LED lighting and advanced air conditioning provide modern comfort to a timeless style.

The private spaces at Las Mesas Infinity Homes are equally impressive. Bright bedrooms, designer built-in wardrobes and spa-type bathrooms elevate the daily experience. The main suites open to private terraces, ideal to enjoy the Mediterranean sunrise or sunset in total privacy.

Open-plan kitchens, equipped with high-end Bosch appliances and elegant quartz countertops, are the heart of every home, perfect for both entertainment and relaxation. The large living and dining areas flow naturally to the outdoor terraces, ideal for enjoying outdoor life all year round.

Residents enjoy access to first-class services: wellness centre with gym, sauna, Turkish bath, spectacular pool and lush landscaped gardens. With only 18 two- and three-bedroom apartments spread over three low-rise buildings, Las Mesas Infinity Homes offers unique privacy and exclusivity.
