

3 chambre Maison de Ville à vendre dans Alacant/Alicante, Alicante

215.000€

This townhouse in Torrevieja features a private solarium, garage, and communal pool, offering comfort and space in the Parque de las Naciones urbanization. The property is conveniently located near all essential services. Spread over three floors, it includes a porch at the entrance, a spacious living-dining room, and a renovated independent kitchen with a light patio and laundry room. It offers three bedrooms and three full bathrooms, including one en-suite. The 25 m2 terrace provides outdoor enjoyment, while the private rooftop solarium offers additional leisure space and views. A private garage ensures secure parking. The community pool is ideal for relaxation throughout the year. This townhouse is suitable for permanent residence or as an investment with seasonal rental potential. Contact us to arrange a physical visit or request a virtual tour and detailed plans. ---
