

## 2 chambre Maison de Ville à vendre dans Salares, Málaga

87.500€

This is one of our typical townhouses in Spain, located in the village of Salares, a peaceful village at the foot of the Tejada and Almirajara mountain ranges.

Access is very easy, close to a parking area and just a few meters from the village square.

From the front door, we enter a small and comfortable living room/hallway. Next, we find a dining room and then a charming, fully renovated kitchen that makes the most of the space while showcasing some rustic details from its original construction. On this same level, there is a fully updated and comfortable bathroom, a first room designed for your comfort before moving to the upper floor.

Ascending a staircase, we reach the next floor where we find two bedrooms, on two different levels, one of them with a small toilet. From the upstairs bedroom, a door leads to a balcony overlooking the village, bringing light and fresh air to this part of the house.

On the highest part of the house, there's a lovely terrace perfect for relaxing and enjoying the climate and tranquility of this village.
