

2 chambre Maison Troglodyte à vendre dans Salinas, Alicante

119.995€

Tucked away in the hills of Salinas (Alicante), this property offers a rare chance to own a piece of traditional Spanish architecture. Set on a sprawling plot of 19,286 m², this cave house provides a naturally cool environment in the summer and warmth in the winter, making it an incredibly energy-efficient way to live. The property is fully registered and includes:

Living Space: The cave dwelling features 2 bedrooms and 1 bathroom, providing a cozy and unique layout.

The Plot: Over 1.9 hectares of land in an elevated position ("Loma Rasa"), ensuring total privacy and stunning views of the surrounding countryside and mountains.

Utilities: The house is equipped with a traditional Aljibe (water deposit) for water supply. For electricity, a basic installation is ready for a generator, making it an ideal setup for those interested in solar power and self-sufficient living.

Outbuildings: The registry also shows additional space currently used for storage (almacén), which adds further versatility to the property.

Located just a short drive from the charming village of Salinas and approximately 45 minutes from Alicante airport and the coast, this property offers the best of both worlds: absolute tranquility in nature with easy access to all necessary amenities.
