

Commercieel vastgoed Te koop in Coin, Málaga

212.000€

230 m2 commercial space in one of the best areas of Coin.

This place is located in a crossing area at street level and has large windows.

Nearby you can park several cars and also in front of the premises.

It has the best facilities, it is perfect for any type of business, now it is being used to prepare homemade food.

It has two entrances, the main entrance that leads directly into the store and the office and another separate entrance to the back.

The distribution is very good, the entrance is an exhibition and sale room, an office, then we go to a long corridor from where you can access all the rooms that most are now used as kitchens, elaboration room and refrigeration.
