

## 5 slaapkamer Villa Te koop in Benalmadena, Málaga

2.350.000€

Incredible villa located in La Capellanía, Benalmádena. It consists of four large floors, constituting a total of 649 meters built on a plot of 800 square meters. We currently have two villas in the area in question, both equal in terms of how luxurious they are. The area is the perfect fusion between tranquility and proximity to all those services that are so essential to us today. With the completion of the work so close, do not hesitate to request information about it.
