

4 slaapkamer Landhuis Te koop in Gata de Gorgos, Alicante

1.600.000€

Finca with fabulous COUNTRYSIDE & MOUNTAIN VIEWS. Situated on a FLAT plot. If you are looking for the tranquility of the past, we have found the solution here in the form of a spacious original finca with farmlands. A stone bridge, beautiful green fields and orchards with various fruits and vegetables give the rural feeling that distinguishes itself from the beaches, bays and the sea. Once through the gate, the large finca appears. An open naya over the full width of the finca. Here you can spend a good time, from sunrise to sunset, using the BBQ area, tables and chairs to accommodate the whole family. The spacious lounge with fireplace is the central place from where you will find an upstairs room and a bedroom on the first floor on the right. On the left is the spacious kitchen where the family prepares and eats the food together. To the left of the main entrance, there is a staircase leading to a guest bathroom. Once upstairs there are three spacious bedrooms, with air conditioning, and a shared bathroom. High-sloping ceilings complete the rustic atmosphere.. A barn in which a fireplace, tables, and chairs call to celebrate family celebrations and events. Various good barns and courtyards require an infill to keep the owners on their own lands. As indicated earlier, you can use your own harvest, and then there is more than enough to trade fruits and vegetables. HP99067
