LARGE WORKSHOP AND HOUSE TO MOVE INTO. OPPORTUNITY FOR THOSE LOOKING FOR A LARGE GARAGE FOR BOATS, CAPACITY FOR SEVERAL CARS, TRUCKS, MACHINERY, ETC., AND A SPACIOUS AND COMFORTABLE HOME. The surface of the land is 263 m2. On the ground floor there is an area of 150 m2 built, which previously functioned as a car workshop. It is an open space with large windows, with an entrance gate for large vehicles, a raised platform available for office (or whatever you want to put), a toilet. There is an elevator that connects to the second floor. The house, of 150 m2, is accessible by the elevator and by another independent entrance with an external staircase. The house consists of an entrance hall, 4 comfortable bedrooms with fitted closets, a bathroom and a toilet, living room with balcony doors with access to the balcony terrace, large windows that allow the entry of sun and light. Large kitchen also with access to the balcony terrace overlooking the avenue and offers a wide view. The property is sold with almost all furniture; it has all urban services and is ideal for those who need a large garage to store vehicles or machinery (boats, cars, trucks, etc.). It is ideally located on the outskirts of the village, just 200 meters from the center of Maella and a few kilometers from the Sea of Aragon, Caspe, which has 100 km navigable and is very frequented by international sport fishing.
