

3 bedroom Villa for sale in Torrox, Málaga

128,000€

Spacious town house on the corner a few minutes from the center of Torrox Costa. 100M2, divided into 2 floors + patio + 2 terraces. On the ground floor there is a living room, kitchen, private patio, a bathroom. From the patio you access the first terrace and from this terrace you access the second and large terrace from where you can contemplate the mountains. From the living room you go up to the first floor where we find 3 large bedrooms (from one of them you can access one of them). Very well located, a few minutes walk from the town center. In quiet street and with good neighborhood. The house has 2 entrances, the main entrance through the living room and there is another entrance through the patio. With East orientation and morning sun. It needs a small improvement, but for little money it can be converted into a cozy home or an ideal place to spend the holidays.
