

3 slaapkamer Villa Te koop in Los Dolses, Alicante

320.000€

Much sort after area, beautiful and spacious corner plot. The villa stands proud of the well thought out outside space, offering lovely BBQ and paella area surrounded by foliage giving great privacy. In this area is also a fitted bar and outside fridge. There is a dining area located near the pool for those essential family gatherings. The welcoming tear shaped pool lies to the side of the house with plenty of space to allow for the much required sun loungers.

The front terrace is secluded and a welcome relief from the Spanish sun! The terrace leads into your main lounge area, this then leads directly into the well appointed fully fitted kitchen. Complete with center island and American fridge freezer and all white goods, the rear door leads to a small area perfect for drying the washing.

The ground floor also boasts a bedroom or office and a shower room. Follow the stairs up to the main bathroom and two further bedrooms, both with fitted wardrobes with the master having a nice balcony.
