

2 slaapkamer Appartement Te koop in Hacienda Riquelme Golf, Murcia

119.950€

Murcia Golf Properties are excited to offer this fantastic penthouse apartment for sale on the stunning Hacienda Riquelme Golf Resort. The apartment has spectacular views over the lake, golf course and round to Sucina. It has a large L shape terrace with plenty of room for an eating area and sunbathing. The property has aircon throughout, gas central heating and is being sold furnished with secure allocated underground parking. It is a short walk to the clubhouse and onsite supermarket. Sucina village is a 5 minute drive, Murcia airport 20 minutes along with the beaches of the Mar Menor. You enter the property into the hallway with the modern kitchen to the right, which is slightly larger than the usual penthouse due to the layout and as the property is on the end. Off the kitchen is a spacious terrace with storage. This could be glazed in and knocked through to create a much larger kitchen. The hallway opens into the bright and sunny lounge diner, which leads onto the tiled L shape terrace with truly breathtaking views over the golf course, lake and resort. The sunsets from this property will be wonderful. There are two double bedrooms both with fitted wardrobes, the master having access to the terrace and a separate family shower room. The second bedroom, due to design, has the possibility of adding a second bathroom. This is a great apartment in a very well maintained block, viewing essential.
