

2 slaapkamer Appartement Te koop in Mojácar, Almería

170.600€

Hello! Thank you for sharing the information about the brand new housing development. It looks like an exciting project in a great location. Here is a summary of the main features:

- . Location: The project is located in a central area, just 600 meters from the sea. This location close to the sea offers sea views from the terraces of the houses..
- . Types of homes: The homes available will be 2 and 3 bedrooms, all with two bathrooms. They will also have an independent kitchen and a living room with a large terrace of approximately 20m2..
- . Additional options: Buyers must compulsorily purchase a home, garage space and storage room, which provides comfort and additional storage space..
- . Distribution: The apartments are distributed on the first and second floors of the building, with different orientations but all with views. The project consists of a total of 22 homes, which makes it a small and cozy residential area..
- . Amenities: The residential will have a community pool and green areas, which will provide residents with spaces to relax and enjoy the outdoors..

It is important to note that, being a new project with a start date scheduled for the first quarter of 2024, some details could undergo minor changes. For more details and to reserve a home, it is recommended to contact the team responsible for the project. Keep in mind that units are limited due to demand the uniqueness of the area..

IMPORTANT: The first five reservations have included in the price the A/C machine, the kitchen and the electrical appliances.. Remember to check the prices and rooms, since this is only an advertisement..

I hope this information is useful to you. Good luck with your new home!
