

1 slaapkamer Landhuis Te koop in Peñiscola, Castellón

180.000€

Finca house with amazing views connected to mains electricity. Built over 75 sqm single floor on a plot of 17,200 sqm. The existing building can be expanded, or a second building can be built with the possibility of connection to mains water supply. The property is situated on a prime location ensuring privacy and tranquility in pure countryside with magnificent sea views. The property oriented southeast facing with very good access. This finca house situated 3.5 kms from the town centre and beaches, just a 25 kms to Castellón airport. Located in an exceptionally quiet area with few neighbors around at a distance.
