

8 slaapkamer Villa Te koop in Mojácar, Almería

360.000€

PRICE LOWER. Fabulous house in Mojácar, Palmeral area, with excellent views of the sea and just 200 meters from the beach. It is built on a plot of 300 meters. The construction is about 30 years old. There are 260 meters built that are divided into the main house consisting of 3 bedrooms, one of them with an en-suite bathroom, a huge kitchen-dining room with sea views, another bathroom and a large terrace with excellent views of the sea. A penthouse guest apartment with two bedrooms, kitchen, bathroom and a nice terrace with sea views and access to a large solarium from where you can see much of the Mojácar coastline. And another apartment in the basement with 3 bedrooms, a large kitchen-dining room, a bathroom, a toilet and a storage room. All furnished, ideal to be able to rent the two apartments or for guests. The rest of the plot is paved with pieces of Macael marble. It has space to put several cars inside the plot.
