

3 slaapkamer Landhuis Te koop in Martos, Jaén

36.000€

This is a lovely property which could be moved straight into as it has been nicely reformed by the current owners. There is an entrance hall leading into a good sized lounge and a fully fitted kitchen. There is a second sitting room and a utility area on the ground floor with access to the private and sunny courtyard.

Upstairs there is a modern bathroom, a master bedroom and a single bedroom plus stairs to the third floor.

On the third floor there is a large storage room / possible bedroom, and a lovely roof terrace which is partly shaded and has views over the town and countryside.

Martos is a great town with everything you need including banks, shops, restaurants and bars, all within walking distance of the property. This would make either a lovely holiday home or perfect for full-time living.
