

3 slaapkamer Landhuis Te koop in Monte Lope Alvarez, Jaén

45.000€

NOW REDUCED...Another single storey property in this popular town...just needs internal updating but is perfectly habitable now. Out the back is a large patio with plenty of room for a pool, there is an above ground pool there now. Would also make a really nice garden area. The property itself has 3 bedrooms, full bathroom, fitted kitchen and decent living room. So just some internal updating and modernising and this would make a great home for a family or a couple..ideal for holidays too. And you can walk to all the facilities in this village.
