This is a really good property in this popular village that is well known for its flat wide streets and is surrounded by olive fields and open countryside. The village has many amenities including bars and shops and is also close to the towns of Martos and Baena.

On the ground floor, there is an entrance hall, a living room, a 2nd sitting room area, a fully fitted kitchen and a double bedroom. There is also access to a lovely patio area which includes a summer kitchen with fireplace, utility area and fitted bathroom. The area is nice and private and has room for a plunge pool.

Upstairs on the 1st floor there are 3 more double bedrooms, one with a Juliet balcony. There is also a full bathroom plus a nice sitting area and access to an outside terrace that has lovely views overlooking surrounding fields.

The property benefits from an integral garage and also has oil fired central heating. It's in a nice quiet part of the village, ready to move in to and would make a lovely family home.
