Castillejar cave house marcelino

Large cave house in the pretty village of Castillejar. This is a two-storey house with a vast cave at the back. There are 6 bedrooms and 2 bathrooms and it is sold nicely furnished. The entire property is in an impeccable state and ready to be lived in. The front house has a garage that is currently used as a utility room. There is a possibility of acquiring another garage just across the street. The cave part is a vast, deep, high quality cave. The house part has a terrace accessible from the first floor with great views facing east over the badlands. There is a separate side entrance leading to the second floor that can be handy should you wish to use the 2nd floor as a holiday let or long-term rental. Easy access, room for parking. The property is located near the village center and all amenities are less than a 10 minute walk.
