

2 slaapkamer Villa Te koop in Los Belones, Murcia

133.000€

Property in need of reform. This property would make an excellent home with lovely sea views and being located only a 2 min drive from the thriving village of Los Belones. The current property is 110sqm and has a plot of 350sqm. The property currently has 2 beds, 1 bath, a living room, dining room, kitchen and utility room. All rooms need renovation. There is potential to have a lovely property in a rural location but only a few minutes from all the main amenities that are required.
