

4 slaapkamer Villa Te koop in San Javier, Murcia

520.000€

Thanks to its design and interior distribution, a microclimate that extends to each living space is achieved in all villas. Furthermore, with the thermal and acoustic insulation, a harmonic and comfortable ambient is obtained. All this translates to the villa being sustainable and respectful with the environment.

The villas are built with three bedrooms; however it is also possible to build them with 2, 3 or 5 bedrooms. Two bedrooms are done with a completed bathroom and dressing room. The kitchen is fully finished, with high quality materials chosen by the owner, including the appliances. Following an open concept, the dining room is surrounded with large windows, providing a source of pleasant day light, with direct access to the swimming pool and finished gardens with illumination, irrigation and local vegetation.
