

Landhuis Te koop in Freila, Granada
19.000€

What a location! Your own private piece of paradise. A large plot of land located just 125 metres from the shores of Lake Negratín with 2.7ha.(6.7 acres) of land. Absolutely amazing location. The ideal location to have your own plot of land completely isolated from neighbours in one of the most spectacular spots in southern Spain. Perfect for 4x4 overlanders, Unimog campers and adventure enthusiasts looking for somewhere wilder to spend time in Spain. -----

This plot of land is a 4km drive down a virtually unused dirt track - currently only 4x4 or high clearance vehicle access only. The track is mostly level to rolling. But the location of the property is worth the trek. Absolutely no light pollution. This could also be the perfect location for a private stargazing and astronomy site. -----

Completely off grid and isolated from any neighbours but all services and amenities are available in the towns of Freila and Zujar, Granada (Andalucia) about a 15 - 20 min. drive from the property. Just wide-open views to Lake Negratin, Mount Jabalcon and the surrounding mountain ranges.
