

3 slaapkamer Gezinswoning Te koop in La Florida, Alicante

159.000€

We are delighted to present this spacious 3-bedroom, 2-bathroom town house, complete with an integral garage and a communal swimming pool. Situated in La Florida, it offers a pleasant view of the parkland between the Emerald Isle and the La Florida commercial area, featuring shops, bars, and a supermarket. The west-facing front garden receives afternoon sun, primarily laid with tiles and adorned with a shrub and flower border. The living/dining room is generously sized, complemented by a WC and a separate modern fitted kitchen in a galley style, leading to the utility room and a second lounge or additional dining space at the rear. A staircase from the living room leads down to the sizeable private garage. Ascending from the front door, you'll find a family bathroom between two double bedrooms, each equipped with ceiling fans, fitted wardrobes, and delightful views of the park. The top floor hosts the master bedroom, which comes with a small solarium at both the front and rear. The rear solarium captures morning sun, while the front solarium enjoys afternoon sun. The communal swimming pool is conveniently located just a short 50-meter walk away.
