

3 slaapkamer Gezinswoning Te koop in Olvera, Cádiz

79.500€

What at first seems like a standard house in need of renovations and a new layout holds a surprise behind .A typical entrance hall takes you into a central reception off which you have a living room to the front a bathroom and a basic kitchen but with the most stunning view right from the window , anyone would be happy to wash up or cook here !Upstairs you have 3 bedrooms one a decent double and 2 small singles , then there is an extra space you pass through to access the terrace which has open views and a laundry / store room .But back down stairs and a well hidden staircase takes you down to the basement level which is an open space and could be turned into anything you wish , maybe a garden lounge ? because its here we find the surprise , a back door lets out on to a sizeable outside space , which could be in the right hands amazing patios and garden space : possibly even a plunge pool . There is work to be done here but we believe the reward would be worth it
