The Atlas American School of Malaga, situated next to the Russian Orthodox Church, is going from strength to strength. It has a capacity of 700 students and is accelerating demand for high quality real estate in the area.

Our immediate neighbours, the large national developer, Aedas are constructing a large number of luxury apartments at a rapid pace. One of their brands, Libella is selling in the range of €660,000 to €1,300,000. Another, Australy Aures, is about to be marketed as a top end luxury development of apartments and is likely to be significantly higher in price.
