

3 slaapkamer Villa Te koop in Macisvenda, Murcia

179.950€

SIERRA Design

The houses that we carry out have a high-class construction, through the use of top quality materials.

HOUSE QUALITY MANAGER

The construction system of the house is the result of industrial concrete modules. The foundation has a waterproof sheet in a structure frame. The exterior walls have a double insulation system to prevent energy loss. All interior walls can be changed at the client's choice, which is the decision of the client and the architect. On the cover waterproof sheet is placed to ensure its tightness towards the rain. The exterior finish of flooring and cladding are of high quality, being able to choose between a wide range of options. All our houses have pre-installation of air conditioning ducts, pre-installation of gas heating and water pipes for the water. The exterior carpentry is made of PVC and double glass to ensure adequate comfort and energy efficiency. The interior carpentry is natural wood at the customer's choice.

If the client wishes, the pool construction of the house dimensions can be modified. The exterior carpentry of the house adapts to the plot where it is located, performing everything necessary for good use and enjoyment of it. All our projects can be adapted to suit the client.

Modelo SIERRA

Las viviendas que realizamos tienen una construcción de alta categoría, mediante utilización de materiales de primera calidad.

MEMORIA DE CALIDADES DE LAS VIVIENDAS

El sistema constructivo de las viviendas es mediante estructura de hormigón armado. La fundación dispone de lámina impermeabilizante sobre estructura. Las paredes exteriores tienen un aislamiento sustancial para proteger a las viviendas con alta clasificación energética. En las paredes interiores pueden ser cambiadas a elección del cliente, siendo que la decisión de las mismas pueden ser adaptadas a las necesidades del cliente. En la cubierta se coloca lámina impermeabilizante para asegurar su impermeabilidad hacia el exterior. Los acabados exteriores de pavimento y clausura son de alta calidad, pudiéndose elegir entre una gran variedad de opciones. Todos nuestros viviendas cuentan con preinstalación de aire acondicionado por conductos, preinstalación de calefacción de gas y agua fría y agua para calentar. La carpintería exterior es de PVC y vidrio doble para asegurar una adecuada confortabilidad y ahorro de la energía. La carpintería interior es de madera natural a elección del cliente.

Si el cliente lo desea se puede realizar la construcción del piscina de las dimensiones elegidas.

La carpintería exterior de la vivienda se adapta a la parcela donde se ubica, realizando todo lo necesario para su correcta y adecuada integración.

Todos nuestros proyectos pueden ser adaptados a gusto del cliente.

"New Villa Off Plan", Style "Sierra".

The price includes construction, project fees of senior architect + technical architect direction, building license from town hall, geotechnical studies and concrete tests. This price does not include the purchase of the land, water and electricity connections. We can build this project in Hondon Valley or any of the surrounding areas. We can also provide the plots for you (we have plots in the area with water and electricity connections, or we can build this as "Off Grid" as well, if you prefer. A swimming pool of 8x4 meters + concrete terrace can be added to the project for an extra cost, also a guest "casita", garage or barbecue can be quoted separately (please ask us for a quote without any compromise). Hondon Valley is a very well located area where you have all services and amenities for your day a day living such as shops, bars, lovely restaurants, doctors, school, gym, etc.

Please, do not hesitate to contact us for further details or to arrange a first meeting with our architect and builder to discuss the project of your "Dream Villa in the Sun".

Living in Macisvenda

Macisvenda is located in the Eastern Region of Murcia, on the border with the Valencian Community. The peculiarity of its semi-desert climate offers a landscape of oasis in which the rambla palm tree stands out haughtily. The source of the river Chicamo gives this municipality some spectacular landscapes that will transport the visitor to film scenes, where he can discover from very arid areas where the loamy lands are capriciously sculpted by erosion, to rich fertile orchards, natural water sources, hundreds of hectares with millenary olive trees and mountains.
