3 slaapkamer Gezinswoning Te koop in Olvera, Cádiz

160.000€

Here we have a fully renovated town house with a very modern finish .located in the old town this home has been totally transformed and you are now presented with a light bright open plan ground floor that comprises of , a dining area , lounge room with swish built in wall shelves and display unit with electric fire plus a fully fitted kitchen , all finished in white with feature wall tiles and all appliances integrated. There is air conditioning fitted too .There is a small internal patio at the rear of which is a fully tiled shower room and a very handy storeroom .up the marble finished stair case there's a long hallway off which you have 3 bedrooms , 2 of which are doubles the other is a smaller double . Also on this level there is a family bathroom , which is finished in the same clean modern style , with bath , loo and vanity unit .The last level of the house has a large room which is currently used as a dressing room but would make an ideal terrace lounge as it is from here you have access to not just one but two terraces, the one to the front has amazing views and between the both there's more than enough space to enjoy , outdoor dining and relaxation .Floor Area: 112 Bedrooms: 3Bathrooms: 2Stories: 3
