

4 slaapkamer Villa Te koop in La Romana, Alicante

280.500€

Key ready villa with incredible views over pine covered mountain ranges, vineyards and orchards. The property itself offers four bedrooms, two bathrooms with a large lounge with open plan kitchen and a lovely terrace area just off the living room to extend your feeling of indoor outdoor living. If you are looking for a modern house with the ability to customise the house to suit you then this property is perfect for you. The master bedroom has an ensuite bathroom and has French doors which lead out to the terrace and swimming pool area. Included in the price is a large terrace with beautiful swimming pool offering stunning views over the surrounding country side. To the back of the property you have two double guest bedrooms with a shared bathroom between them. The large lounge is very bright with French doors out to the terrace. The kitchen is at the far end which can be customised to suit. There is also a separate utility area just off the kitchen. Finally there is a fourth bedroom which can be used as an office, dining room or games room. The property comes with mains electric and a water deposit and good, reliable internet connection is also available in the area. The house includes as standard: * preinstallation of air conditioning, * preinstallation for a fire place* kitchen island or L Shaped kitchen with granite worktop* 1m wide pavement around the house* shower for the pool* electric gate* electric window blinds* bathroom options included are walk in shower (no shower screen) or bath, vanity unit with mirror* 3,000m2 of fenced area around the houseExtras available are only limited to your imagination. Only limitation is your budget.
