

## Land Te koop in Los Urrutias, Murcia

79.900€

Large Plot - 350m from The Sea - El Carmolí - Build ProjectA large 367m<sup>2</sup> plot with space to build one villa which would have sea views from the 1st floor. It is South East facing towards the sea. The plot is just 350m from the sea and is located in the charming seaside village of Los Urrutias. Located on the coast of the Mar Menor, Los Urrutias is located 18 kilometers from Cartagena and is easily accessed via the region's airport and network of motorways. Just a short drive from larger and busier towns, the location of this plot makes for the perfect mix of tranquillity and privacy, and accessibility and convenience. With mild temperatures in winter and high temperatures in summer, this traditional Spanish seaside town offers a tranquil escape and the perfect climate all year around. Enjoy the beaches and marina of Los Urrutias and the waters of the Mar Menor from your very own, unique property.
