MOJACAR BEACH, MOJACAR, ALMERIA, SPAIN. Mountain of the moon Indian restaurant is the finest Indian restaurant in the area. Its reputation is so well known and deserved you usually have to book a table well in advanced to secure a table so not to be disappointed. Unfortunately for us the owner wants to do other things and has reluctantly put this wonderful restaurant on the market with 3 options of purchase/rent. The restaurant has been established for 13 years and located in Mojacar for the past 8 years making it the longest established restaurant in Mojacar. Mountain of the Moon has excellent reviews on Trip Adviser and has been voted one of the top three restaurants in Mojacar for the past several years. Its local reputation is second to none with many happy returning dinners myself being one of them. We can provide full details of the restaurants profits/books etc so you can see for yourself what a viable and successful business this is, and can continue to be, with someone else at the helm and the current owner overseeing its transition to continued success.
