

Grotwoning Te koop in Doñana del Guadalhorce, Málaga

350.000€

We are offering an approximately 18,000m2 finca for sale.

On the property there is a building that needs to be expanded and a large pool.

The water supply comes from our own well. The existing fruit trees are irrigated with canal water (agua de comunidad).

The finca is completely fenced and has three separate access gates.

There are 3 separate escrituras for the approximately 18,000m2. A building of max. 140m2 can be built on the 2 undeveloped plots.
