

Land Te koop in Camposol, Murcia

29.000€

Dreaming of building your own home? This is an amazing opportunity to do just that. By purchasing a 500m2 building plot, you can design a two-bedroom, one-bathroom 100m2 property that looks exactly how you want it to. All you need is to request the appropriate permits and licenses. There is also the option of placing a prefabricated house on the land - just remember that it must be approved by the relevant authorities. The plots are located in the beautiful Urbanisation of Camposol (sector C), in a quiet area in the ever-popular Residencial Camposol Golf Development. Boasting stunning beaches, a golf course, two commercial centres, and a children's play park, Camposol is also only a 30-minute drive away from the Murcia National Airport and a 1-hour drive from Alicante Airport, making it a very desirable location. You can explore the picturesque countryside, as the neighbourhood sits in a natural, wide valley surrounded by various mountain ranges and wonderful open, rolling countryside. There is fun for all the family, as you can engage in an entertaining 18-hole golf course, or, alternatively, engage in fine-dining in one of the neighbourhood's many restaurants, whilst the kids visit the children's playground or play on the football pitch that has been built on sector D. You can also travel just 15 minutes by car and fund yourself by the wonderful Mediterranean beaches or the stunning Marina of Puerto de Mazarron. Price: EUR 29,000
