

Land Te koop in Yecla, Murcia

28.000€

Agricultural warehouse in good condition with a surface area of 75 m², with a galvanized sheet metal roof. The plot is 11,000 m². It is planted mostly with almond trees. It also has several pine trees that provide excellent shade. The plot is not fenced. The farm is 12 km from Yecla and 8 km from Caudete, and is paved up to the access roads. It has irrigation water from a natural spring within the farm itself. It is located in a natural area, with excellent panoramic views.
